

January 2017

Comments

- Can get to see someone most of the time.
- Never had any problems with the practice in many years.
- Good service.
- Friendly staff. Easy to book. No delays.
- Very hard to get appointment.
- Nice reception staff. Doctors are very nice.
- Always get in, good service.
- Always been my GP and I have not had any major issues.
- I have been with this doctors all my life and have always been happy.
- Hard to see a doctor especially when your child is not well. One doctor gives you wrong medication without checking what you're allergic to.
- Love some of the doctors, others not so good.
- Very pleased with the service received, receptionist always try to accommodate suitable appointments.
- Because I think it's a good doctors.
- Nice doctors.
- No appointments.
- Good GPs and helpful staff.
- New patient.
- Great practice.
- Don't know.
- Very helpful staff.
- I find it difficult as a working person to get an appointment. At times there is a two-week wait, or you call on the day and can't get through. Opening hours should be extended to accommodate working people.
- Don't like certain doctors/nurses.
- Been coming since I was a baby.
- Doctors OK.
- Good staff.
- Lovely doctors and staff.
- Good surgery.
- Because if they can they will book an appointment for you regardless of the situation the surgery may be experiencing.
