Description of the location	
(The premises and the area around them, access, adaptations, equipment, facilities, suitability for relevant special needs, staffing & qualifications etc)	
<p>This single storey building was opened in 1990 and contains consulting rooms and a waiting area.</p> <p>The main entrance is at the front of the building, with disabled access, which leads to a reception desk, a large waiting room.</p> <p>Outside there is parking for visitors including a parking bay for disabled patients.</p> <p>The branch was redecorated and refurbished in 2010 and in the same year obtained a 'Green' status (along with the main surgery) for infection control. However, the site continues to restrict the development of both clinical services and administration support. The sites also requires some work to become totally DDA compliant and to improve against some Health and Safety standards. The practice has approached the local NHS for support in developing the site but was refused. The practice will continue to ask for support.</p> <p>For staffing details see appendix 3.1</p>	
No of approved places / overnight beds (not NHS)	zero
